MEMORANDUM FOR:

[Redacted]

DD/S&T

STATINTL

SUBJECT:

Proposed Technical Fields for Project
Officers Handbook

REFERENCE:

DD/S&T 2057-67 and Attachments, 17 May 1967

We have reviewed the proposed new listing for the Project Officers Handbook and suggest the following additions. We realize that not all of the fields are in our current external analysis program but believe that we should anticipate future contracts, some of which may be let before the end of FY68.
